## The Battle for Life: Is Not Over

Last year, the U.S. Supreme Court did something for which countless saints had been praying and hoping for decades. The court overturned the 1973 *Roe v. Wade* decision, that stripped states of their ability to limit or regulate abortion.

That decision was welcomed by all who understand the preciousness of life. Most of all, to believers who recognize that every person has value in the eyes of God. But the end of *Roe v. Wade* did not mark the end of the battle for life.

This is why Jentezen Franklin Media Ministries—with the involvement of partners like you—is making a real difference in the lives of so many. Together...

- We're **saving** innocent, defenseless lives—the unborn.
- We're **redeeming** broken lives—women who have been scarred by the scourge of abortion.
- We're **preventing** needless heartache—by providing options for young women who feel they have no options. The battle continues.

## Life Saving Hope: Giving Help on Wheels

Not too many days ago, on May 14, Americans paused to honor mothers. And that's a wonderful thing. Mothers and motherhood have been under attack in our culture in countless ways in recent years.

That shouldn't surprise us. God loves people, so the devil hates them. God is the Creator of life, so Satan does everything he can to snuff it out.

Knowing that is why, around this time last year, **we announced an initiative we've been calling "Life is Beautiful."** And just one powerful facet of that initiative involves a special mobile medical clinic purchased and equipped with the help of friends like you.

This is a state-of-the-art mobile clinic equipped to offer pregnancy tests, ultrasounds, and other medical tests to women, all at no cost.

Our bus is able to go right to where the need is greatest. Since putting our bus on the road a short while ago, we've already begun to gather testimonies of young women helped and lives changed.

Through your support of Jentezen Franklin Media Ministries, you were there for the young homeless woman who was concerned about being pregnant. She was relieved to discover she wasn't expecting. But she received more than welcome news during her visit. **She received compassion and care with smiles that communicated the love of God.** Her nurse/advocate prayed with her and made sure she knew she could call for help any time.

You were also there for the young woman who saw our signs and visited the bus to receive a pregnancy test and additional medical help. In conversing with her, it became clear that she was lost and had never heard the gospel. She did that day. With your support, seeds of salvation and the gospel were planted that we pray will be watered in her life.

Mobile medical units like ours have already saved thousands and thousands of innocent baby lives. Compassion left us no other option. Love compelled us to act. Thanks to the partners of Jentezen Franklin Media Ministries, our first bus is rolling and helping women and saving lives every day. With your continued help, it won't be the last! **JF**

### **A Prayer for Mothers**

Father, for all of Your daughters who have given the miracle of life,  
For those who are training up children in Your Word and Your ways,  
For all those who have done so in the past with self-sacrifice and love,  
For the "mothers in the faith" among us who nurture, feed, heal, and comfort,  
We give due honor to them; and to You our heartfelt thanks for them.  
May You bless and keep them, making Your face shine upon them.  
May You reward their sacrifices with abundance; their labor with rest, and  
their tears with joy. May God bless our mothers.

## **Life-Saving Help in Haiti**

**Jentezen Franklin Media Ministries continues to partner with groups in Haiti, making a real and lasting difference in the lives of "the least of these." Infants, children, and mothers are finding life-saving help in unbelievably desperate circumstances.**

Almost 10 years ago, partners like you helped us build and open the Kingdom Connection Food Distribution Center in Haiti, in which the poorest of the poor can acquire food. Because of your continued support, we have helped fund it every month since and want to keep supporting our partners there!

Also recently, volunteers here in the U.S. packed 272,000 meals for our partner in Haiti. Those meals were shipped there in a 40-foot container and were received with rejoicing. Thank you, partners, for your compassion and generosity.

**Please remember the truth of Proverbs 19:17 (NKJV): "He who has pity on the poor lends to the LORD, and He will pay back what he has given." **JF****

**“COMPASSION**  
*left us no other*  
**option. LOVE**  
*compelled*  
**us to act.”**

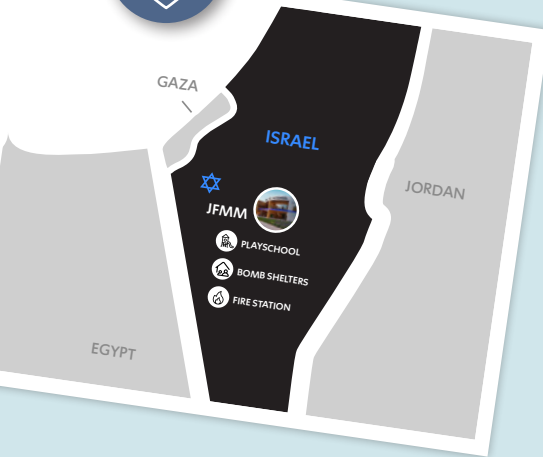

# Comfort My People with Grace

The Lord continues to lead Jentezen Franklin Media Ministries to opportunities to bless, help, and bring practical **comfort to precious Jewish people, wherever they are under attack or in need**. He has responded to our heart to obey the exhortation of Isaiah 40:1—to comfort God’s people, Israel—with numerous open doors to serve in both Israel and, most recently, in Ukraine.

God has recently pointed us to a new region in Northern Israel. Tragically, **the precious people there have no hospital nearby**. The injured and seriously ill have to drive a long distance through rough terrain or are transported by helicopter.

That’s why our newest and possibly most critical project in Israel is the **Northern Israel Emergency Center**. Jentezen Franklin Media Ministries has pledged \$3 million in faith toward the construction of this desperately needed facility.

Together with the support of friends and partners like you, we are bringing hope and safety to Northern Israel! 

## New Beginnings

There are tremendous needs right here at home. Homeless teens, struggling veterans, and many others fighting addiction and trauma are looking for hope. But because of your support, they are finding it through Jentezen Franklin Media Ministries outreaches like our **New Beginnings Shelters**. These shelters are a place where young people in trouble and their families can find help and freedom. Recently, we committed to **funding a new playground for these families**—an incredible gift made possible because of friends like you! 

**TOGETHER, OUR IMPACT IS GROWING! **
