## Building Amidst War

As the JFMM Northern Galilee Emergency Hospital construction continues under the auspices of the JFMM teams, the Upper Galilee and Kiryat Shmona region is

experiencing an escalating crisis. The relentless barrage of drones, missiles, and rockets has turned the once tranquil landscape into a war zone, with flames and danger encroaching upon residential areas.

The situation is dire, as residents face the dual threats of aerial attacks and uncontrolled wildfires.

In the midst of this turmoil, the JFMM Northern Galilee Emergency Hospital stands as a symbol of resilience and hope. Spearheaded by JFMM teams, the construction of this vital facility is progressing despite the challenging conditions. Once completed, it will offer a range of services, including emergency care, trauma surgery, and critical care, ensuring that the people of Upper Galilee have access to the medical attention they urgently need.

# Light Over Darkness

The Eshkol region was the epicenter of the October 7 massacre. With our partners at the Jewish National Fund, we are committed to helping this devastated community rebuild and recover. It's our largest initiative to date and will take place over three years with the following three phases...

## **PHASE 1:** Keep Them Safe

- Help build multi-safe houses, as well as safe rooms attached to homes
- Construct ten civil defense centers which will include a fire station, ambulance, and communication station

## **PHASE 2:** Rebuild Eshkol

- Orphan care and PTSD care
- Repairs and construction of homes

## **PHASE 3:** Bring Them Home

- Support schools and education
- Restore parks
- Help communities thrive!

*When I sit in darkness, the LORD will be a light to me.*  
**(Micah 7:8, NKJV)**

## **PRAYER FOR ISRAEL:**

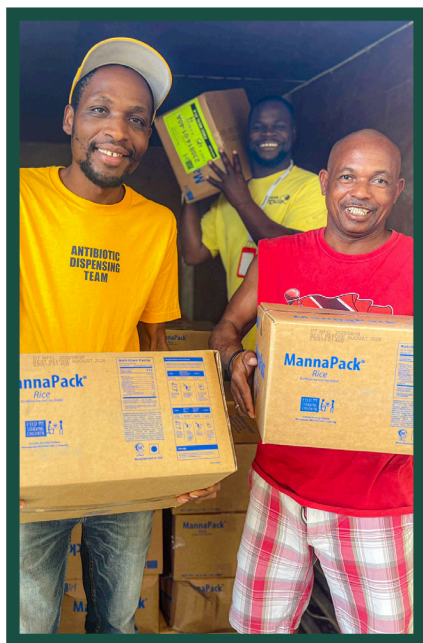

Heavenly Father, we pray for the peace of Jerusalem. We ask You God for protection, provision, and comfort for Your people in the Holy Land. May their enemies scatter. Let peace prevail. God, amidst such darkness after the October 7 massacre, would you release light and healing for every family who has suffered? In Jesus' name, amen.

*Pray for the peace of Jerusalem: they shall prosper that love thee.*  
**(Psalm 122:6, KJV)**

# Life Is Beautiful

## Lindsey

My name is Lindsey, and I am 24 years old. I have been on drugs since I was 12, and I was raised by my grandmother because my mother was hardly around due to her own addictions. My father was also in and out of prison for the majority of my childhood. I entered *New Beginnings (NB)* for the first time in 2018 on a court mandate. My focus was to complete my mandate and then go back to hanging out with the same people in the same places. Within 2 months of leaving *NB*, I relapsed. I didn't fully surrender to God my first time. I came back to *NB* in September 2019, and I fully surrendered my life to the Lord on 9/22/2019. Now I have a relationship with my sister and both of my parents. I am living my life for the Lord. I work for the ministry as a full-time staff member, and I'm able to give back what was so freely given to me. **JF**

## Miracle in Haiti!

As the humanitarian crisis continues in Haiti, your support is making a lifesaving difference. Because of friends like you, 272,000 meals recently arrived to bless and feed hungry families at the Kingdom Connection Distribution Center.

We also held an open-air crusade at the Gwo Maché Mirak, a market that's producing jobs and souls for the Kingdom in the midst of chaos.

Please continue to pray for our brothers and sisters in Haiti. Together, we will continue feeding the poor and sharing the gospel! **JF**
